LAING, Albert Thomas - Ass. Prof. and Secretary, Faculty of Applied Science and Engineering - Jan-Feb-1919 (019)

January 21st, 1918

A. T. Laing, Esq.,

Secretary, Faculty of Applied Science,

University of Toronto.

Dear Mr. Laing:

I am sending you a letter from Lieutenant Lauzon. I should judge that what this soldier would need would be brushing up in Mathematics. If the Committee of Applied Science would accept him on his partial matriculation next autumn provided he brushes up in his mathematics I will get Professor Du Bury to see whether we can arrange through the Extension Committee to have some work done by correspondence for Mr. Lauzon while he is in the sanatorium.

Will you please let me know your opinion as soon as possible so that I may reply to Mr. Lauzon.

Yours sincerely,

President.

FACULTY OF APPLIED SCIENCE AND ENGINEERING

359

Feb. 7th, 1919

The President,

University of Toronto.

Dear Mr. President:-

The Council of the Faculty of Applied Science met in special session this morning, and upon hearing your proposals respecting new buildings for the accommodation of Electrical Engineering and Strength of Materials passed the following resolution:

That this meeting approves the proposition of the President with regard to the location of a building to be used for the present by the Departments of Electrical Engineering and Strength of Materials on a site adjacent to the eastern wing of the Chemistry and Mining Building.

Yours truly,

A. T. Laing

Secretary
